

The Hnatyshyn Foundation's Developing Artist Grants

Jazz Performance (vocal or instrumental)

The Hnatyshyn Foundation's Developing Artist Grants program is designed to provide assistance to the most promising young Canadian performing artists enrolled in qualified post-secondary educational or training programs in the performing arts.

A panel of arts advisors appointed by the Foundation will adjudicate the performance work of the nominees.

The grants must be applied towards tuition, materials, and/or room and board. In the event the student chooses not to attend the nominating institution or fails to complete a full year of study, the grant must be returned to The Hnatyshyn Foundation in its entirety or on a pro rata basis.

Nomination Requirements – Jazz Performance

This \$12,500 grant is intended for Canadian performing artists enrolled in full-time studies at qualified Canadian post-secondary educational and training institutions that offer programs in jazz performance. **The institution must nominate the candidates and may submit up to two candidates per year per discipline.** Nominees will be identified by the institution on the basis of exceptional promise for a distinguished career in performance and may be nominated by only one institution. NOTES ON SUPPORTING DOCUMENTATION

Curriculum Vitae

In addition to the usual information, your curriculum vitae should include details of musical training the candidate has received, any awards or prizes for musical excellence, and any significant public performances by the candidate.

Artist Statement

Your artist statement should help the jurors understand what you believe to be the most important aspects of your art and the techniques you use in its creation. Consider the following: What do you consider the most important aspect of performance? What are your goals and aspirations as an artist? Who or what inspires you and why?

Letter of Support

The letter of support from the nominating institution or teacher should be no more than two pages. It should clearly indicate the candidate's strengths and the referrer's evaluation of their potential for a distinguished career in performance. Please note that excerpts from the letter of support may be used by the Foundation in a press release announcing the grant winners.

The audition material must be in the form of video recordings. The recording should be of the highest possible quality the candidate can provide and would ideally be situated in a concert style venue or studio with natural reverb or no reverb at all.
